### Where in the world?

A new location is featured each issue. Identify the photograph location and you win!

### Gear Lists, Menus...

Exactly what to bring on any adventure. Print it, check the boxes as you pack and head out.

Choose a List

### Adventure Kids...

From summer camp, to nature projects to backyard adventures... Adventure kids is a special section by kids for kids.

### Interactive Quiz...

What type of camp is right for you or your child? Do you want to tempt the elements or take it easy... Pick up a new skill or do it all? Take this issue's Interactive Quiz to help you decide.

### Egypt Along The Nile

Visit the Valley of the Kings, sail along the Nile river on a traditional vessel and visit a marketplace ablaze with colors and smells on our latest Virtual Adventure.

### Discovering Uganda - The Pearl of Africa

If you think that the typical Africa countryside doesn't offer you rolling emerald hills, snow capped mountains, misty forests and deep, crystal clear lakes then you haven't been to Uganda. Travel with journalist Renee Pattle on a journey in to the lush countryside of this small but adventure-complete oasis.

### Ultimate Camp Guide

*Camp is not just for kids... Mom and Dad can go too and not just in the summer! Our panel of experts have come up with the best of the best.*

### Register to Receive Our Biweekly Newsletter

*We need your input! By completing a short form you will also help us to support the sports, activities and adventures you enjoy.*

### Adventure Kids

*From summer camp, to nature projects to backyard adventures... Adventure kids is a special section by kids for kids.*
